

# Transfer

## What does a domain transfer cost?

You can find our prices in our pricelist. LINK <https://www.inwx.de/en/domain/pricelist>

In the column "Change provider", you can find the cost that incur by transferring a domain to us. In the column "P", the registration term will be displayed. If an "1" is displayed, the transfer already includes the cost for 1 year. If a "0" is displayed it means, there is no registration term included. This, takes place at the renewal date and the cost are displayed in the column "Renewal".
